

FUN INDOORS EGG HUNT

**Let's celebrate!
Easter time is here!**
If you are excited to start your egg hunt wave and cheer!

I'm good for bouncing up and down, but best for sleeping when the sun goes down

I can be called a looking glass.
When you find this clue, you'll find your smiling face staring back at you!

Find me on a sofa or lying on a bed.
I'm a soft place for your bottom, for your back or for your head.

Scrub your hands until they are nice and pink.
Your next egg is hiding in the ...

Wear me on your back or sling me over your shoulder.
Zip me up or snap me shut, I am a handy object holder.

If you are feeling tired, then rest a while right there.
The best place for your bottom is a comfy, cozy...

If I am off, my screen is dark as night but press the remote and I come to life.
I will show you things you might never see, I am a picture box, but you call me...

A chair fits one person, but as you can see, I am much larger and seat two or three!

Spring is nice and Easter is pleasant.
Search in the cupboard to find your present!

I have a bulb though I cannot grow.
Switch me on and watch me glow!

Scientists call me H₂O, but that is a name you may not know.
I fall in raindrops from the sky. I am good to drink when your mouth feels dry.
